Nurturing Young Minds at Pawar Public School, Dombivali

At Pawar Public School, Dombivali, our Pre-Primary programme is dedicated to nurturing each child's unique potential through a holistic approach. We believe that 'Children are not things to be moulded, but people to be unfolded'. This philosophy shapes our educational practices.

Our curriculum balances play-based learning with structured activities, supporting cognitive, emotional, social and physical development.

We create a safe, inclusive environment where every child feels valued and supported. By partnering closely with parents, we ensure that children grow not just academically but also as confident, empathetic and well-rounded individuals.

Ms. Reena Nambiar Mandlik
Headmistress
Pre-Primary Section

EDITORIAL DESK

Dear Readers,

As we unveil the second volume of our e-Newsletter, 'Campus Colours 2024-25', let us take a moment to reflect on how every part of our beloved school building contributes to the holistic development of each one of us. Much like the journey of learning itself, our school is a collection of spaces that foster growth, creativity and unity.

As you step through the school entrance, you are greeted by a sense of purpose. The entrance represents the threshold to a world of possibilities and learning. Each morning marks the beginning of new opportunities, challenges and growth, reminding us that every day is a fresh start on our journey of education.

The staircase, though often overlooked, symbolises the steady climb towards success. Each step represents a challenge we overcome, helping us rise to new heights.

As you enter the corridor, it is more than just a path to the classrooms. It symbolises the endless avenues of knowledge and opportunities. Inside the classrooms resides the heart of the school where ideas flourish. It is where the pupils challenge themselves, solve problems and nurture their dreams. The discussions here shape their understanding and prepare them for the real world.

The labs serve as the playground for the curious minds of learners. Whether it is the science lab where experiments fuel discovery or the computer lab where technology connects pupils to the world. These spaces remind them of the importance of hands-on learning.

The auditorium, a grand stage for talent, teaches pupils confidence. Whether it is the applause after a performance or the wisdom shared during assemblies, it resonates with moments of inspiration and celebration.

Our staffroom is a haven of collaboration, where dedicated educators plan, discuss and prepare to shape pupils' future.

Out in the playground, the value of teamwork and sportsmanship is learned. It is not just a field for sports but a space where pupils build friendships, challenge their limits and learn to win with humility and lose with grace.

The canteen, where all gather for lunch and laughter, reminds everyone that even in our moments of leisure, we grow. It is a place for shared stories, recharging our energy and understanding that food not only nourishes the body but also the bonds we share.

The washrooms, often overlooked, symbolise the importance of self-care and hygiene - crucial elements for a healthy learning environment.

And finally, the school bus is a daily reminder that the journey of education extends beyond the school gates. It brings pupils together from different walks of life, reinforcing the idea that learning happens everywhere.

Together, each of these elements forms the backbone of our school - a place that doesn't just impart knowledge but shapes character, friendships and memories. As we explore this edition, let's appreciate how each space plays a vital role in our journey. Happy reading!!

Frank Anthony Debate Competition

It is rightly said that debate sparks voices, views and victories.

Pawar Public School, Dombivali considers it a privilege to have received the opportunity of hosting the Frank Anthony Memorial, All India Inter-School English Debate Competition, 2024, Stage I, the Preliminary Stage on 15th July, 2024.

Pupils across the city, from 12 schools, had participated in this debate. The moderator for the debate was Mrs. Brinda Kumarakrishnan, with a panel of talented and experienced jury members including Dr. Pramila Kudva, Mrs. Radhika Padmanabhan and Mrs. Preethi Rao.

The participants exhibited a great enthusiasm and showcased their impeccable skills of oratory, interrogation and arguments. It was indeed a remarkable experience.

Workshops for Pupils

In a bid to provide pupils with crucial knowledge for their personal growth and well-being, our school organised comprehensive workshops addressing the key areas such as Drug Abuse, Adolescent Behaviour and Counselling, Self Defence and Menstrual Hygiene.

Health Check-Up Camp - 2024-25

The Annual School Health Check-Up Camp was conducted from 20th August, 2024 to 29th August, 2024 for the pupils of Nursery to Grade 12 by iBlue Ants Infosystems software company with a team of expert doctors. This programme undertook physical, dental and eye check-up along with the examination of basic parameters (height, weight, BMI, temperature and blood pressure) to ensure the physical wellbeing of the pupils.

MUN 2024

On 31st July, 2024 the Model United Nations (MUN) conference was held for the pupils of Grade 9, aiming to foster a deeper understanding of complex global issues and the significance of diplomatic approaches in resolving them. This interactive platform enabled the pupils to develop their public speaking skills and articulate their perspectives in a structured and supportive environment.

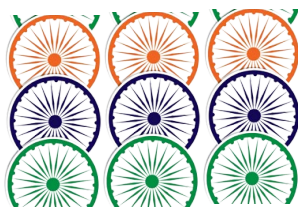

Independence Day

On 15th August, 2024, we at Pawar Public School, Dombivli, gathered to celebrate the spirit of freedom and the sacrifices of those who fought for our nation's independence. The Primary Section hosted the event. As a part of our celebration, the school choir presented a melodious patriotic song that resonated with the values of courage, unity and love for our country.

The inspirational speeches delivered by the Head Boy, the Head Girl and our Principal Ma'am, filled our hearts with pride and gratitude for the privileges we enjoy as citizens of this great nation.

Proud to be an
INDIAN!

Pre-Primary Activities

In the Pre-Primary Section, pupils were immersed in a world of creativity and learning through different celebrations and activities. These engaging tasks nurtured their cognitive and social skills, all while sparking their curiosity and joy for learning in a nurturing environment.

A Flaw In The Law

Is the problem,
A flaw in the law?
Are we safe?

Is a question from women to men.

A fault in us or in our fate?
What is the problem?
Being a doctor?

Or a woman without character?

The beast could never see the age.
Implying no man is a sage.

After all, why is woman locked up in a cage?

For whom should a woman dress?
For she is always in a menace.
Why is her squeal not heard?

Why is the beast still a part of the herd?

Her family sobs as days pass by.
As too early was her goodbye.

At last, when will a woman be free of endless
lambast?

Is the problem, A flaw in the law?

Arshiya Ramamurty - 9B

Be the Change

Educate,
To change ignite, the fate.
ignite,
The knowledge light.
Let the child grow,
Not in the wild.
The world's a stage,
Let them showcase their age.
Not to earn their wage,
Think about it and change...

महँगाई

महँगाई जी तुम लौट-लौट क्यों आती हो?
हम सब को बड़ा सताती हो।
मर-मर कर जो कमाया हमने,
पल भर में उड़ा ले जाती हो।

दिन दोगुनी और रात चौगुनी होकर,
मोटी ताजी हो जाती हो।
हमको तो तुम चूस-चूस कर,
सारा खून पी जाती हो।

कार छोड़ पैदल हम चलते,
लाचार हमें कर जाती हो।
फल, सब्जी सब छोड़ चुके हम,
तुम मोटी होती जाती हो।

रे महँगाई, शरम करो कुछ।
क्यों बड़ा तड़पाती हो?
और हमारा पीछा छोड़कर,
जाने क्यों नहीं जाती हो?

महँगाई जी तुम,
लौट-लौट क्यों आती हो?

परोपकार

परोपकार ही जीवन का सार है,
जब परोपकार का मौका मिले, तो कभी न करो इनकार,
इससे ही होता है लोगों का कल्याण,
क्या आप रख सकते हैं, इस बात का ध्यान?

लोगों की सहायता करो,
अगर कोई गिर जाए, तो उनकी ओर हाथ बढ़ाओ,
क्योंकि यही तो है, इस जीवन की छोटी-सी खुशी,
जिससे आती है हमारी ज़िंदगी में रोशनी।

परोपकार का भाव है, एक फूलों का उपवन,
जिसके आगे इस दुनिया का सारा धन भी है कम,
लोगों के चेहरे पर छोड़ जाती है मुस्कान,
लेकिन कभी न करो इस बात पर अभिमान।

कभी न हो अहंकार, जब करो भलाई,
मन में हो सच्चा प्यार और सत्य की गहराई।
यही है हमारी संस्कृति का महत्त्वपूर्ण अंग,
इससे ही तो भरता है हमारे जीवन में रंग।

एक पेड़ भी अपना फल स्वयं नहीं खाता,
नदी भी अपना जल स्वयं नहीं पीती,
हमारी प्रकृति में ही है परोपकार का ज्ञान,
इन्हें देखकर क्यों नहीं करते हम यह गुण धारण?

आजकल मनुष्यों में बढ़ रहा है स्वार्थमद,
क्या यही है जीवन का अर्थ?
बिना स्वार्थ के करो तुम नेक काम,
ताकि सभी का हो जीवन खुशहाल।

परोपकार

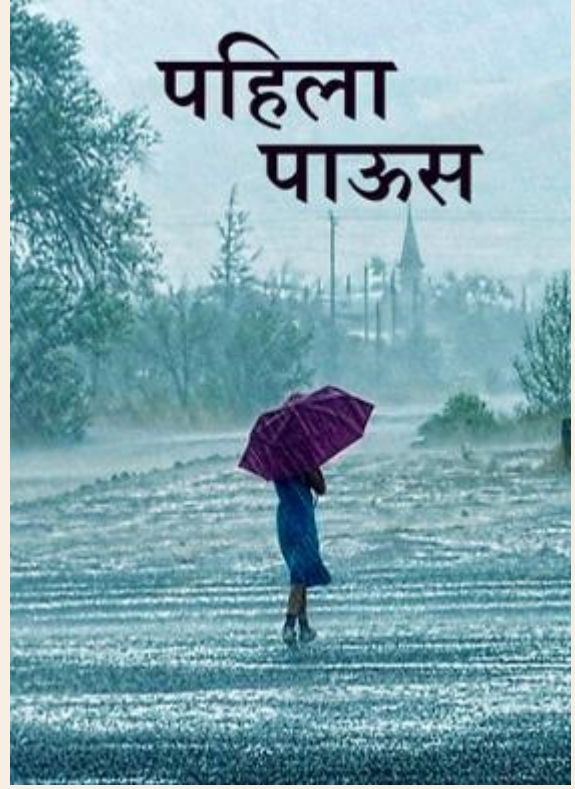

पहिला पाऊस

पहिला पाऊस,
जणू आकाशातून उतरले पाण्याचे मोती,
बहरून आली धरती आणि ओलावली माती.
चोहिकडे सुगंध पसरला मातीचा,
वीज चमकून गडगडाट झाला ढगांचा.
झाडे झूलली आणि फुले फुलली,
थंड हवेची झुळुक झुलली,
मातीच्या सुगंधाची उधळण झाली.

पहिला पाऊस,
अंगावर झेलूनी थंडगार मेघधारा,
वाहू लागला गार-गार वारा.
मग, सुंदर इंद्रधनू न्याहाळते धरती,
आणि हिरव्या निसर्गात पक्षी आनंदाने गाती.

आनंदली सर्व सृष्टी आणि वेली बहरली,
रिमझिम पावसात सर्वजण सुखावली.

माझी आई

आहे प्रेम तिच्या ठाई
अशी ही माझी आई.

तिच्या मुखी असते ईश्वरनाम,
करताना सतत काम.
सतत काम करुन ती थकत नाही,
अशी ही माझी आई.

जेव्हा मी आजारी पडतो,
तीचा जीव कावरा बावरा होतो.
ती घेते देवाचा धावा,
की माझा मुलगा बरा व्हावा.

जेवण करते ती खूप छान
राखते ती सगळ्यांचा मान.
आम्हा मुलांसाठी ती खूप करते,
सगळ्यांच्या सुखासाठी ती मर-मर मरते.

आहे प्रेम तिच्या ठाई,
अशी ही माझी आई.
